

## Dragons and Unicorns

### Materials:

- TP tube,
- paint (green for dragon, white for unicorn)
- googly eyes
- 2 Foam Poms
- streamers
- \*If you don't have streamers, use cut up tissue paper!

### How to:

- Paint the TP tube (green for dragons, white for unicorns)
- While that dries, cut the streamers in half. You will need about 10 strips in total!
- Paint eyes on unicorns.
- Glue Foam Poms on dragon. Glue googly eyes on top of Foam Poms.
- Working around the opening of the TP tube, glue the streamers to the inside edge. Alternate the colors.
- Blow into TP tube to make streamers move!
