

DONKEYS

- ❖ WE CAN LIVE UNTIL WE ARE 40 YEARS YOUNG!
- ❖ WE ARE VERY SURE FOOTED.
- ❖ WE LIKE TO DIG AND ROLL AROUND IN THE DIRT.
- ❖ WE ARE VERY USEFUL TO THE FARM BECAUSE WE PROTECT THE SHEEP AND GOATS FROM PREDATORS.
- ❖ A FEMALE IS CALLED A JENNY, A MALE IS CALLED A JACK, AND A BABY IS CALLED A FOAL.
- ❖ OUT WEST, PEOPLE USE DONKEYS TO CARRY THINGS.
- ❖ WE ARE NOT MULES. MULES ARE A CROSS BETWEEN A MALE DONKEY AND A FEMALE HORSE.
