

GOATS

- ❖ WE USUALLY HAVE 1 or 2 KIDS PER YEAR.
- ❖ THE FARMERS CAN ROUGHLY GUESS OUR AGE BY LOOKING AT OUR TEETH.
- ❖ OUR GESTATION PERIOD IS 5 MONTHS.
- ❖ A FEMALE GOAT IS CALLED A DOE, A MALE THAT IS INTACT IS CALLED A BUCK, A MALE THAT IS CASTRATED IS CALLED A WETHER, AND A BABY IS CALLED A KID.
- ❖ PLEASE DO NOT LET OUR HEADS GET STUCK IN THE FENCE WHEN YOU ARE FEEDING US.
- ❖ THE FARMERS PUT BELLS ON US BECAUSE WE LIKE TO ESCAPE AND EAT ALL THE FLOWERS WHEN WE ARE OUT IN THE PASTURE FOR THE SUMMER.
