

## Colorful Volcano

### Materials:

- 2oz. plastic bowl, food coloring, 4 Tablespoons of vinegar,
- 3 Tablespoons baking soda

### Procedure:

Place jar on top of bowl/plate. (This will help to minimize mess.)

1. Spoon baking soda into jar.
2. Add 10 drops of food coloring.
3. Pour vinegar on top!

Watch as it EXPLODES!

**Question to think about:**  
What would happen if you changed the amounts of baking soda or vinegar?
